

Dalyellup Vacation Care December 2017 – January 2018

As you are aware the children do many more activities than what is listed on the form each and every day. We try as much as possible to follow the direction of the children's interests as this enables their time with us to be much more fulfilling and enjoyable. So you have an idea of what other things we will be doing we have created a list for the children to tick to add to their events calendar as well. I hope they enjoy the holidays as much as we are going to.

Happy festive season and New Year
The OSHC Staff Dalyellup
